Dana,

As Ben indicated, since this is such a short and concise search, this should not take more than 15 minutes for each of the EPA custodians. Once you the search results back, you can create a folder in Outlook to save them. You and then convert all the emails at once in Adobe. You can create a portfolio document which is one document with all the PDFS.

I would be glad to offer any assistance in the bulk conversation, if you any questions.

Earl
